

BLAINE POLICE DEPARTMENT NEWS RELEASE

DATE: February 8th, 2016

Today, at approximately 1:57 PM, the Blaine Police Department's School Resource Officer assigned to Blaine High School was notified of an incident by school administration. A message had been written on the wall of a women's restroom. The message was vague but could have been construed as a potential threat. The Resource Officer along with several Blaine Police Detectives began conducting an investigation into the incident.

A thorough investigation was completed and investigators do not believe the message written on the wall has any credibility and do not believe there is any safety concern related to it.

To ensure students feel comfortable and safe at school tomorrow we will be increasing police presence and there will be additional patrols throughout the day.

No further information will be released at this time.
